Well this is a bit odd – the coronavirus means we're not too sure when this issue will actually be hitting the stands, so writing this is like waving off a ship which doesn't have a destination yet. Still, we'd like to think it'll find its port sooner or later, and that when it does, we just know that Zara Mae, Lacey Jay, Natalia Forrest and co will make it a very happy landing. Keep safe, meanwhile! ▶

LONDON club DVD MAIL BAG

I was only 24 when I got married and while I don't regret it, my missus has lost interest in sex over the years – particularly the kinkier stuff. That's why I've been playing away for a while now, and it seems that as long as I don't rub her face in it or get emotionally involved, she turns a blind eye to it.

For the past couple of months I've been seeing Tanya, a girl I met at a works do in a busy bar. She's nine years younger than me and when I first clapped eyes on her she was dressed to kill in a little black dress and knee-length boots; I didn't think I stood a chance but she came over and struck up a conversation, asking me to buy her a drink and fluttering her eyelashes at me. If I was surprised that she'd approached me, I was even more so that she hung around me for most of the evening – she couldn't have made it more obvious that she was interested in me – so I thought, why not go for it. After broaching the idea with her, I ended up booking a hotel room and Tanya snuck away to meet me twenty minutes after I left.

She was well up for it, nibbling my ear in the taxi and virtually humping my leg as we had a stand-up snog inside the room. I discovered she had a great rack and I could have spent the night just playing with them, but apparently she wanted to move things on, freeing my prick from my pants and rubbing it hard a few times in her fist. Breaking away momentarily, she took a little tube of lubricant from her handbag (was this girl prepared, or what?) and squirted a big glob of it on her palm before starting to wank me properly. If I shut my eyes, it felt like I was fucking the tightest, wettest pussy, which I learnt was Tanya's speciality. It turned out she knows all these little sexual tricks, like twisting her grip and rubbing her palm over my cockhead, and when she started wanking me hand-over-hand, I had to grit my teeth and clench my arse and crotch muscles to stop myself coming prematurely.

I grabbed her arse and gave it a squeeze, hoping that the fact she was carrying lube around with her meant she liked a bit of backdoor action. And sure enough, she let out a small, breathy moan as I groped her peachy cheek, encouraging me to go further. As my fingers lifted her dress, burrowing under her g-string and into her crack to give her arsehole a little tickle, her groans grew louder and she parted her legs to give me full access.

> **"HER GROANS GREW LOUDER AND SHE PARTED HER LEGS TO GIVE ME FULL ACCESS."**

Deciding we were way too clothed, I stripped her naked except for her kinky black boots, and bent her over the hotel bed. With her high heels on and her legs slightly splayed, she was the perfect height for me. I gave her clit a frig, just to make sure she was warmed up, dragging my fingers back across her pussy, enjoying the dampness I found there. Realising she wasn't yet wet enough for what may be in store I smeared lube all over her winking arsehole and my rock-hard shaft. I asked her where she wanted me to fuck her. "Anywhere you like," she purred, so, just to wind her up, I held her arsecheeks wide open, but then shoved my prick inside her cunt. It was so warm and juicy I could have stayed there till I came, but I knew what she really wanted – what we both wanted.

Sure enough, she let out a gasp of pleasure when I slid my thumb up her arse, stirring it around as I screwed her dripping snatch. Then, making sure my cock was soaking wet, I slipped that in instead, pushing slowly and gently so I felt every inch of it sink in.

She liked it deep and grinding, reaching back to hold me inside her, right down to my nuts. I gave her a reach-around too, one hand holding her lips apart so I could give her clit a good hard frigging with the other one. This seemed to do the trick for her as she climaxed twice consecutively, and as she came her arse muscles constricted tightly around my erect knob, I found it increasingly difficult to stop myself from flooding her cave with my creamy seed. Despite this, the juices I felt gushing out of her unplugged fanny made it harder for me to resist thrusting in and out; gaining speed each time I found a rhythm. Not that she cared – whenever I stopped and tried to go back to grinding now, she'd slam her arse against me until I started fucking in and out again. Not surprisingly, this was all getting too much for my swollen balls and I really wanted to come.

Starting slowly, I built her right up to the brink of another orgasm and, as her arse clamped once more around my shaft, my spunk exploded inside her, filling her to the brim. I grabbed her hips, pulling her on to me as hard as I could, then gave her tits one final squeeze, which seemed to get a few more orgasmic ripples from her.

I got a hat-trick that night, as she let me spunk in her arse, pussy and mouth, but as we got dressed after a shower together the next morning, she told me I'd have to meet up with her again for a repeat session if I fancied a tit-wank. Obviously I did, and I've been getting loads more ever since. I know it's terrible to cheat on my wife, but I'm not spinning Tanya any lines, and I need to get my end away somehow!

Tom, Kenton.

All that Jas!

Dear Club DVD,

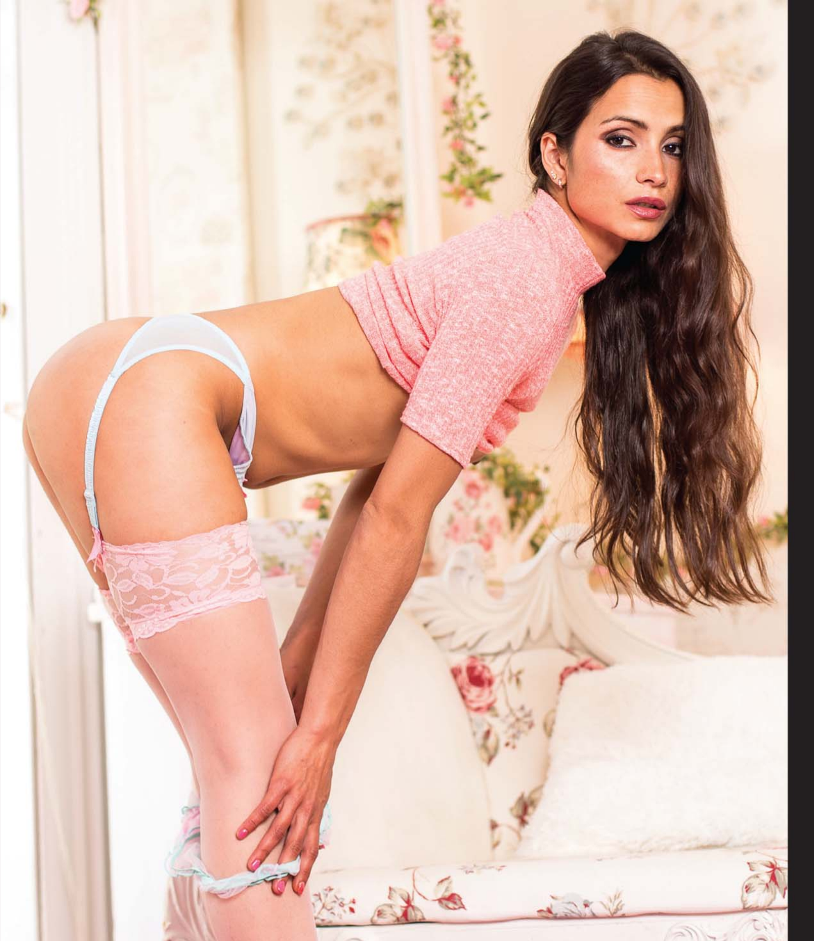
I always think it's a bit careless to have two girls with the same name in the same issue of a girlie mag (Hey, give us a break! – Ed.), so when I saw you had two Jasmines in your latest issue I was initially a bit disappointed… until I saw them! What a stunning pair they are – blonde Jasmine is an absolute beauty, while brunette Jasmine's fantastic arse and neatly trimmed pussy had me standing to attention in no time. If you ever fancied featuring these two again – and even including Jasmine Webb as well in the same issue, I promise not to hold it against you!

Ben, Notts.

Well that's very decent of you, Ben! We'll see what we can do… - The Ed.

CHELSEA

We're all in favour of the odd bit of all-out femininity here at Club DVD, especially when it's someone as lovely as Chelsea French exhibiting it and it's not just her femininity that's all-out, but also the most arousing regions of her lovely firm body! Those see-through undies of hers are lovely – I can't help wishing they were more common, but then again perhaps some things are better saved for the boudoir…?



CHELSEA

SPADE & DISPLAYED!

We've met a lot of people in the industry, but there aren't many of them who are nicer than Kendra Spade. She is kind, compassionate yet also very intelligent, as she demonstrated when we met her after this year's AVN...

You've just appeared at the Adult Entertainment Expo in Vegas. Was that your first time signing for fans?
That was my 3rd AVN and at my first AVN, I was signing for a smaller company. Last year I didn't sign but this year I signed for Adult Time so it was my first time signing for a major company.

How was the experience?
It was crazy! Like I said, the first time I signed, no one knew me and this year, I had two time slots and both days, the line was never ending full of fans! That was cool!

I hope that every one of your fans gets to meet you at some point because you are such a sweetheart. You are so nice!
Thank you! I really appreciate that. That means a lot to me. I feel that in real life that everyone is going through a lot of things so if you can be nice, it starts to become habit.

You are a very beautiful young woman; when did you learn the power of the pussy?
I'm very, very similar to my mom. My mom has always been the type to always flirt with everyone. As I watched that growing up, it was never a sexual or romantic kind of flirting, it was a delicate stroke of a person's ego. I started to learn the importance of that from my mom but as I've gotten older and the more sex I've had and experienced different guys, that is where I've learned more. It's not even a smile to take advantage of a person but you can manipulate a person's desires to stroking their ego. You can get someone to do something if you make it seem like it's benefitting them more than it's benefitting you.

For fans that are new to you, what are some of your favourite scenes that you could recommend?
Probably my favourite scene out right now is for Jules Jordan and the collaboration with the directing team of Disciples of Desire. They are super, super good at what they do. They're so talented and it's so much more than just porn. I just haven't come across intelligent film makers the way that they are. We shot this crazy scene with Jax Slayer and he was running down the streets of LA naked to come fuck me. That was the whole premise of the scene. That clip went viral on Twitter. It has 3.3 million views and it went mainstream. It's so funny and so well done and filmed nicely too.

Are there any performers or directors you would love to work with that you haven't had a chance to yet?
I haven't shot for Whitney Wright as a director. I'm really intrigued and would love to have Whitney direct me. I want to work with Ivy Lebelle and I still haven't.

You haven't shot a DP yet! Is that in the cards for this year?
I've never been with more than one guy at a time. It's weird, huh? Everyone thought I have shot a DP or a boy/boy/girl but I haven't. I also haven't shot a gangbang or a blowbang. There's still a few first that I have to do and that's one of them. I would like to

package all my firsts into a showcase. I'm not opposed to shooting a lot of things but I haven't had the opportunities or the bookings. And I haven't eagerly been seeking it out either.

Did you watch porn before you got into the industry?
Oh yes. I was a huge porn fan that was the whole reason why I wanted to do porn. I'm a huge James Deen fan. He's so rough. He just uses them like they're little fuck dolls. That makes me so wet! He did this scene with Kristina Rose and I watched that scene like 1000 times. I didn't realize they were porn stars – I thought it was just these two people fucking in a hallway. (laughs) A huge part of it too is that he has this confidence about him. The way he holds himself, he knows he's James Deen.

Do you have any fantasies you would like to live out on camera?
I really, really, really want to get DP'd. I would love that! That sounds wonderful and it's something that I think about often. I've done a lot of boy/girl/girl threesomes on-camera and I recently shot one with Isiah Maxwell and Whitney Wright for and that was awesome chemistry. That was soooo amazing but I haven't had a ton of threesomes where I felt like we were all fucking each other at the same time equally. Most of the time in a threesome, it's these two and it's awkward because one person is off to the side. I like that real, genuine 'the three of us are fucking right now' and we all want to be with each other.

What do you look for in a guy off camera?
I'm not looking but I want a guy that is responsible, intelligent, ambitious, confident… and goes down on me! I don't know why some of these guys thinks it's OK not to eat me out. It's about the willingness to do it that speaks volumes. If someone is willing to do this service for you, the sex is going to be better because you're both working to please each other.

"I'VE NEVER BEEN WITH MORE THAN ONE GUY AT A TIME. IT'S WEIRD, HUH?"

What have you learned about yourself sexually since joining porn?
I'm better at sucking dick now but I feel that would have happened regardless of porn. I feel like all the things I've learned about sexually would have just come. Let's face it, before I did porn, I was having way more sex off-camera than I am now. I was having more sex in general before I did porn. I was fucking every guy. I went on this date with a guy who was trying to kiss me and I told him, 'I don't fuck on the first date!' (laughs) I feel like what I'm starting to work as I'm getting older is that I want passion and I want to feel the effort from the other person more than I ever wanted it before. Before porn, I used to be totally OK with just pleasuring the other person. And I still am in a lot of aspects. Now, I'm 'OK, you're not going to eat me out so why am I giving you this really great head? Why am I sucking your dick so good if you're never going to put your mouth on my vagina?' I'm learning more about the balance.

We've heard something about how you got your shithead ex-boyfriend into the University of Washington by writing his paper because he was a way worse student than you. You went to school in California and eventually joined porn. Any regrets?
First, I have no regrets. Absolutely none. That's something that I've been working on for the last 6 months. I have no regrets, none. Everything is a lesson. I am ultimately glad that I ended up in Los Angeles and am doing what I'm doing now. I said to my mom one time, 'It's not fair. All these girls that I went to high school with; their parents are putting them in college and now they're going to do this job and they'll feel so accomplished in their life. And I'm just in California doing porn. I wish I had done this; I wish I had done that.' My mom said, 'No you don't! I don't know why you're thinking like this. It's obvious that it upsets you but you have to count your blessings.' So much of my life right now, 5 years ago I could never have imagined that it would be where it is and how it is. Not just that, the friendships that I've made, I live in LA which is everyone's dream… my life would not be how it is had I gone to the University of Washington. I would probably be very depressed if I was there. I am exactly where I'm supposed to be in this moment. I have no regrets. I'm glad everything happened the way it happened and also glad that I have no debts.

And how can fans follow you?
On Twitter, I'm @KendraSpade. Instagram is @KeSpade.

ZARA

Home counties hottie Zara Mae's got pretty much everything a fella could wish for, hasn't she? And from the way she carried on during this shoot, she's clearly almost as enamoured of her own pussy as we are!

"Well why not? I always say a pussy's a girl's best friend – you can either use it to get what you want, or just spend a bit of quality time alone with it yourself!" she grins, giving it a special little rub to prove the point.

ROCCO'S TRUE STORIES #2
LENA REIF MARY MONROE ANGELIKA GRAYS TIFFANY TATUM OLIVIA SIN PETITE NELYA
ROCCO SIFFREDI

Starring: Tiffany Tatum, Mery Monro, Angelika Greys, Olivia Sin, Lena Reif, Petite Nelya.

Available From: Evil Angel.

Due to the nature of the scruff industry, there tend to be more, er, openings for female performers than for male, meaning the studs tend to stick around for years and years. Let's face it, if it was your job to screw some of the horniest women on the planet you probably wouldn't go chucking it in in a hurry, would you?! And today's shoot features one of the best known studs in the business – Erik Everhard – being directed by one of the undisputed legends in Rocco Siffredi. Still, No matter how accomplished the woodsmen are, no porn scene would be worth watching (let alone reporting on) if the female talent wasn't up to scratch, and they've certainly got the bases covered there today, with the delectable Euro strumpet Tiffany Tatum being joined by blonde Mery Monro slated to be the latest two starlets to get the Erik Everhard treatment.

Filming's taking place in a loft-based open plan office, and it seems the idea is that both Tiffany and Mery work for Erik (to be honest I'm not sure this is really a 'True Story' at all, but I'm not going to argue with Rocco about that) and while Mery dresses like a 'Bitch' who's always flirting with her boss, Tiffany makes sure she dresses very primly – except for the white hot pants that show off her long legs to perfection.

To be fair to Tiffany, there's very little doubt about Mery's intentions – her little shorts barely cover her pussy at all, and she does her best to distract Erik's business call by gyrating in front of his desk. Sadly it's shaping up to be very far from a 'True Story' if the life experiences of most of us are anything to go by. Especially when, after her little rant's over, Tiffany joins them and, instead of berating Mery for her slutty behaviour, she instead flips down her co-star's top and flips out her shapely, natural boobs.

Well, perhaps this is a typical day in the office for Erik, because he takes it all in his stride, and when Tiffany suggests Merry might want to kneel down and give her boss a blowie he's good and ready for her, whipping out a semi that the bespectacled blonde wastes no time in wrapping her chops round. And for all her supposed primness, Tiffany's clearly getting into the mood as well, wriggling out of her hotpants, perching on the desk and giving her pussy a rub as her pal switches between slurping Erik's pole and wedging it between her boobs.

th Spurts!

Now Erik's not the sort of guy to ignore a juiced-up snizz for too long, and, spotting his opportunity, he leans forward and tucks into Tiffany's twat while Mery continues to chomp on his knob. On the other hand, Tiffany's not too good at passing up a stiff prick when she sees one, and can't resist joining Mery on the floor and giving Erik's a nosh before it's time for a little breather as the action relocates to another part of the office.

Tiffany's not required for a bit here, so she joins the rest of us, now completely stripped (her, not the rest of us!) in looking on as Erik at first slaps Mery's pale arse before the young strumpet's splayed on the sofa with the stud tonguing her shaven slot to make sure it's suitably slippery to accommodate his prong – which it very soon is, and so it's time for the long, long list of starlets Erik's shafted to increase by another one.

We all watch in silence as he slams away, removing Mery's specs as he does so, until Rocco motions to Tiffany that it's time for her to head over to join them. She doesn't need telling twice, diving in to pat Mery's cunt as Erik plunders it before pulling his prick out for a nosh, savouring the taste of her co-stars juices on his meat.

> **"ERIK PLOUGHS ON WITH THE DETERMINATION OF A SEASONED PRO, MERY'S RINGPIECE GETTING A GOOD WORK-OUT..."**

The trio know the running order pretty well, and Erik's keen to move things along, so as he sits on the sofa now Mery clambers on for a spectacular reverse cowgirl ride, her tits jiggling as she slams up and down on his length, while Tiffany urges them on before, assisting with a bit of saliva on Erik's knob and a quick gob onto Mery's arse, she feeds the woodman's length up the blonde's jacksie.

Erik ploughs on with the determination of a seasoned pro, Mery's puckered ringpiece getting a good work-out as he slams into it, making her wail like a good 'un as Tiffany tongues and rubs her now unoccupied slit.

Once they've switched things to doggy Tiffany's even keen to give the blonde a good rimming before Erik makes good use of the freshly slicked hole.

Mery's frantic back-scuttling seems to go on for an age, Erik living up to his stage name admirably as it reams her tightest hole, but eventually it's time for Tiffany to get a bit of the action, allowing Mery to get her breath back while Erik settles in for a doggy-style dicking over the arm of the sofa.

In fact the stud's still got plenty of gas left in the tank, and while Mery amuses herself (and us) with a wank, Erik and Tiffany work their way through plenty of moves, before we come to the grand climax, with Mery riding the stud once more, her jacksie stretched round his meat until Rocco decides he's got enough footage in the can now and the girls kneel together on the floor to receive the facial finish. Erik, having resisted the urge to come so far, now prepares himself for the pop. It doesn't take long, and the girls soon have two gobfuls of goo to drizzle over each other, with most of it ending up coating Tiffany's chin and Mery's boobs.

Erik, meanwhile, utterly spent, has added another chapter to his distinguished career and proven once again that a reputation like his is hard-earned… the jammy git!

We're all supposed to be working from home whenever possible these days to try and see off this coronavirus epidemic, but there are certain things that still require a trip into the office, aren't there? Yes, there's filing and stuff, but what really requires attendance in person is when you've got Lucy lined up for a bit of temp work! I mean it's not that she needs to be shown the ropes or anything, it's just that she's bound to get all horny sooner or later, and you definitely don't want to be stuck at home when that happens!

LUCY

Quick Flix

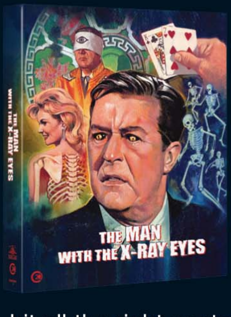
Nothing worth watching on the telly? Then try these!

DOCTOR SLEEP

Warner Brothers

Ewan McGregor, Rebecca Ferguson, Kyleigh Curran.

All successful films must have a sequel sooner or later, whether it's *The Fast And The Furious*, which has sequels coming along every three of four weeks, or *Mary Poppins*, which had to wait 54 years. Well, *Doctor Sleep*'s not quite as off the pace as that, but given that it's a sequel to *The Shining*, the 39 year interval is still pretty impressive. To be fair, Stephen King didn't write the book on which it's based until 2013, so we'll let it pass. Ewan McGregor plays Danny Torrence, the tricycling lad in the first film who's all grown up now and who, in an attempt to grapple with the problems caused by his psychic abilities (and perhaps inadvisedly), decides to return to the Overlook Hotel, where things went so horribly tits-up when he was a kid. The tone's pretty different from the original (King was critical of Kubrik's film anyway), but it's still an effective chiller that, while it doesn't quite match the dazzling brilliance of its predecessor, is definitely worth checking out.



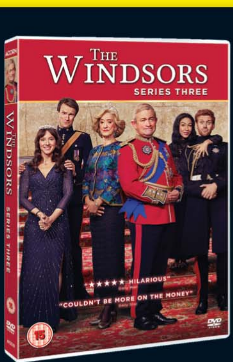
THE MAN WITH THE X-RAY EYES

THE MAN WITH THE X-RAY EYES

Second Sight Films

Ray Milland, Diana Van Der Vlis, Harold J. Stone.

Here's a very welcome release for fans of classic cult sci-fi - a film which hit all the right spots when it was first released back in the 60s, and which still seems relevant today as we push forward ever faster with technology and science. Milland plays Dr James Xavier, who's come up with a plan to help humans to see beyond the range of the visible spectrum… but things don't stop at ultra-violet and infra red, and as his experiments on himself progress he soon has the power to see through solid objects. But where do you draw the line with this kind of exploration? Much too late, is the answer, as Xavier presses on and on, until finally… well, I'm not going to spoil the superb ending. With loads of bonus material, including an interview and commentary from Director Roger Corman, this is a little gem.



THE WINDSORS SERIES 3

Acorn Media

Harry Enfield, Kathryn Drysdale, Hugh Skinner, Tom Durant-Pritchard.

It might be argued that the nation's favourite soap opera isn't *Coronation Street* or *Eastenders*, it's the Royal Family, who've been keeping us entertained for countless generations with their goings on, but now, thanks to this series, they're also becoming one of our fave sitcoms as well. Harry Enfield's on prime form as Prince Charles, but it's really the younger generation of the royals that provide the dynamics for the show, with Kathryn Drysdale's Megan falling out with Wills and Kate giving us an intersting take on what the real cause of Mexit might have been. It's hard to know what royals like Fergie, Eugenie and Beatrice might make of it, but there's no getting away from the fact that it's dead funny, and probably ridiculous enough not to cause genuine chagrin in the highest circles. A Series 1-3 boxset is also available.

AISLIN

That's a bit of an unusual name you've got there, Aislin – what's the story?

"Oh, I think it's an Irish name. My Gran's Irish and it's her middle name. I think it means 'Vision' or something like that."

Well that's rather appropriate, given what a vision of loveliness you are, especially when you're, er, playing with that shaven pussy of yours! I wonder if there's an Irish name that means something like 'I'd love to get stuck into that!' I could give myself...?

CONFESSIONS LUBE-WAY

Got a filthy tale or two to share with us? Stick it in an e-mail to clubdvd@paulraymond.com and you could earn yourself a great big bundle of filth!

Up until a couple of months ago I'd always thought that lubrication was something that older women used when their own juices had started to dry up a bit, but having read a little article about it in a woman's magazine while waiting at the dentist I realised that I was a bit wide of the mark, and there and then I decided to get a bottle on the way home.

I felt a bit guilty as I slipped into the Adult shop in the high street, but nobody batted an eyelid as I spotted one of the lubes I'd read about in the article and took it over to the counter.

Once I'd got home I wanted to try it out, and headed straight up to the bedroom, where I stripped off and squirted a bit onto my hand before rubbing it over my shaven pussy. The feeling was exquisite, and I ended up cramming four fingers up my wanton hole as I frigged myself to a truly memorable orgasm.

Once I'd got my breath back I decided to treat my fiancé Ian to the full lube experience as well…

When he got home from work that evening I'd already cooked tea and opened a bottle of wine. He gave me a grin – it's always a sure sign that I'm in the mood when his tea's already on the table when he gets home. He teased me a bit, but I batted away his comments, just saying that I thought he'd enjoy what I'd got lined up for afters…

When we had finished a second bottle of wine I led Ian through to the bedroom, where I'd laid out four large towels on the bed. He looked a bit confused, but I told him to strip off down to his boxers because I was going to give him a massage. Well, he didn't put up any arguments to that, and within a minute he was lying flat on his back in nothing but his boxers, which were doing a pretty poor job of hiding the swelling within. I, meanwhile, had also stripped off down to my panties, and settling beside him on the bed, pulled the still nearly full bottle of lube from my bedside drawer.

"LEANING FORWARD, I GROUND MY CLIT HARD AGAINST THE BASE OF HIS DICK…"

Ian gasped a bit as I poured a good amount over his tummy, but I soon warmed it up by rubbing it all over his chest and shoulders. Before long his thick prick was poking right up in the air, so saying something about not wanting to get it all over his boxers, I pulled them down and tossed them onto the floor. Now I could rub the slippery stuff all over him, and perhaps unsurprisingly I soon found myself concentrating on his now glistening prick and heavy balls.

I was soon starting to feel that itch in my pussy, so having squirted a bit more of the stuff over my boobs I climbed on top of him and started rubbing his slipper chest with mine, smearing my tits all over him and making sure we were both thoroughly coated with the stuff. My nipples tingled incredibly as I ran them all over him, and then, on a whim, I moved down and encased his prick between my fleshy mounds. This made him groan as I set about giving him a bit of a tit-wank (my boobs aren't really big enough to completely enclose his knob, but from what I could tell he was enjoying it nonetheless!), occasionally releasing his prick from the confines of my chest so I could tease the tip of it with my tongue.

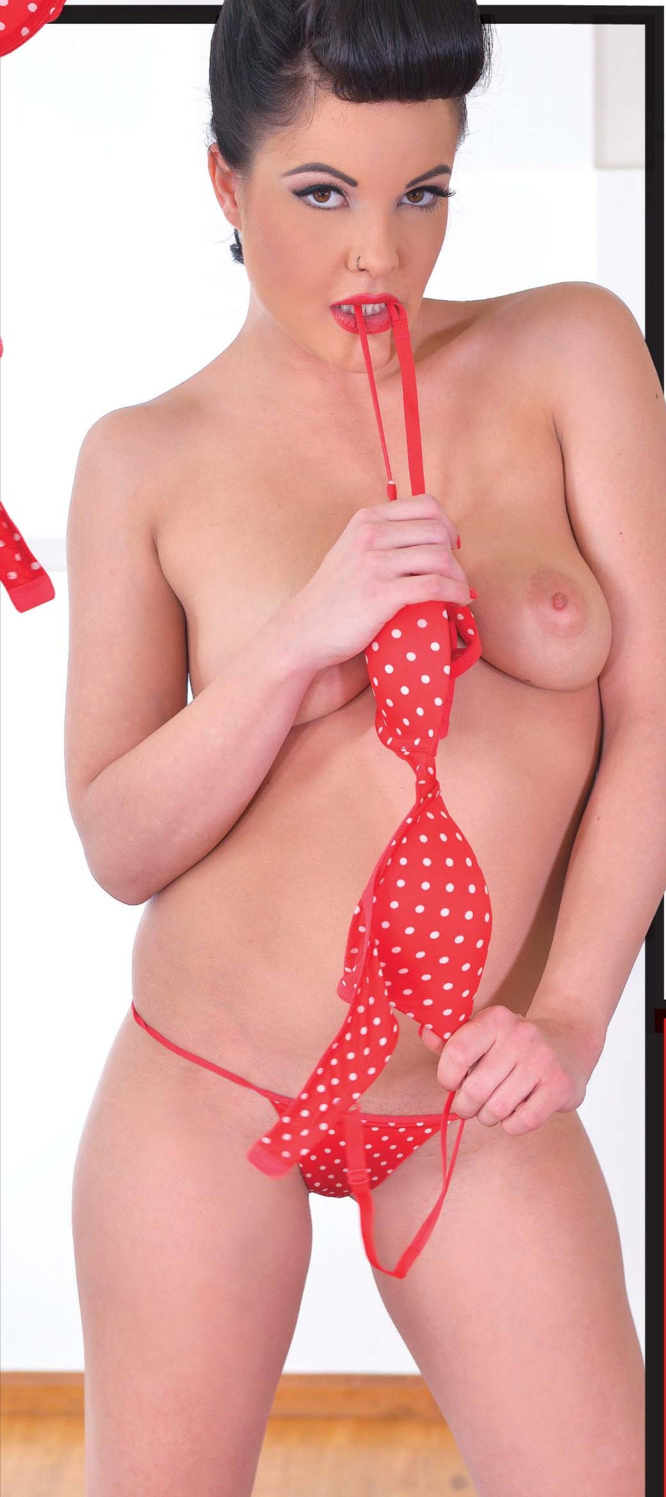
Finally I could stand it no more, and pulling off my panties I straddled him, grabbing his shiny pole and lowering myself down onto its length. The lube, combined with my own pussy juices, which were flowing copiously by now, meant I sank straight down on him in one movement until he was buried up to the hilt in my quivering pussy.

Ian reached up and began kneading my slippery boobs, tweaking and pinching my nipples occasionally as I set about riding him. I was bouncing up and down so frantically that once or twice his cock slipped right out, but grabbing it and feeding it back into me again was so delicious that I don't think either of us minded. Finally Ian grabbed onto my hips and began bucking underneath me, and I knew that it wouldn't be long before he was firing his load deep inside my hole. Leaning forward, I ground my clit hard against the base of his dick, which always brings me to climax in no time at. It didn't let me down this time, either, and as my pussy started to convulse around his pole Ian grunted and I felt him give three of four more violent thrusts as he emptied his balls into me.

Since that evening we've finished the entire bottle of lube, and we're now well over half way through its replacement! Who says it's just for old biddies?!

BARMY!

DOLLY



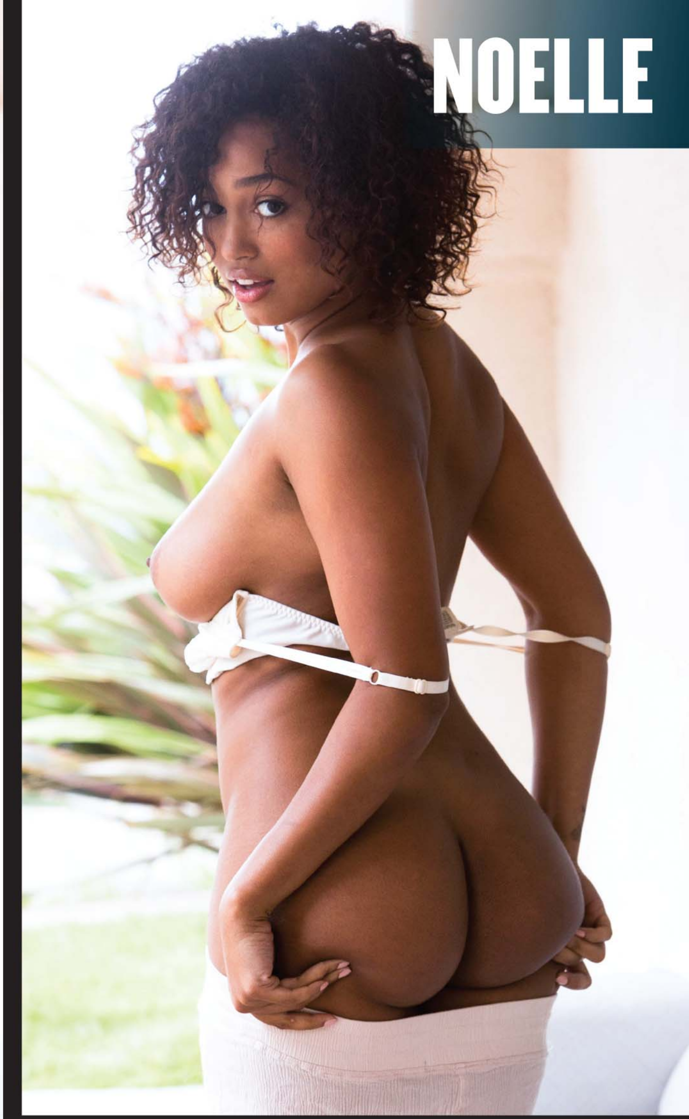
Dolly's really rocking that 1940's cheesecake look, isn't she? Why she almost makes me want to stick a dime on the jukebox and while away the evening doing a frantic lindy hop… except that a) I could no more lindy hop than I could swim to the moon and b) there's actually something else I'd much rather expend my energy on, once I'd got Dolly all to myself!

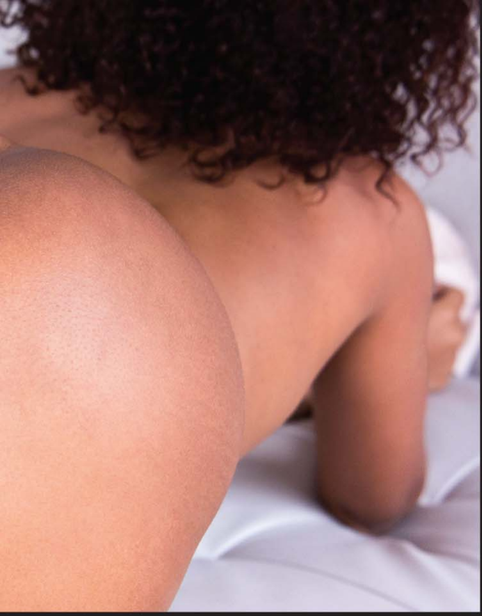
"To be honest, I think I'd rather be doing that myself!" she grins, much to my delight!

DOLLY

NOELLE

NOELLE





Delectable Noelle Monique's got a bit of the French about her name, so we wondered if she had any connection with our Gallic neighbours...?

"No, I don't think so, but I've always thought it was a really romantic language, so when I was thinking about a name to model under, I couldn't resist going for something a bit Frenchy! Just the sound of it gets my juices flowing!"

Oh really? Umm, c'est très intéressant, n'est pas?

MY DAUGHTERS FRIENDS

Voyeur Media

Angel Valentine, Stephanie Cane, Starla Sterling, Renae Cruz, Amy Amour, Isabella Pacino.

Look ,we're not going to quibble about the apostrophe when we've got this many fresh faced cuties in one flick, are we? In theory the studs here are meant to be old enough to have friends the same age as the starlets, although I'm not entirely convinced – but what is extremely convincing is just how randy these little minxes are and how much they love a good porking!

TEACHER'S PET

Harmony Films

Stella Cox, Briana Bounce, Nekane Sweet, Rebecca Volpetti.

That's more like it on the apostrophe front! But in any case, with the quality of the quim on display in this flick, you'd have to stand in the corner with the dunce's hat on to not want to watch it. Busty Stella Cox and Briana Bounce – a girl with one of the finest bums on the planet – lead a cast that sees all sorts of strumpets getting the sort of education only a Harmony (happy-)finishing school can provide!

NATALIA

NATALIA

When I'm old and grey (alright, even older and greyer) and I look back over my life, one of the highlights that's sure to stick in my mind is the afternoon I spent watching the delectable Natalia Forrest strip off and have a wank! I wish you could all have experienced the thrill, but there's only so many onlookers you can fit into a studio and, well, thanks to the DVD you can get a pretty good idea for yourselves!

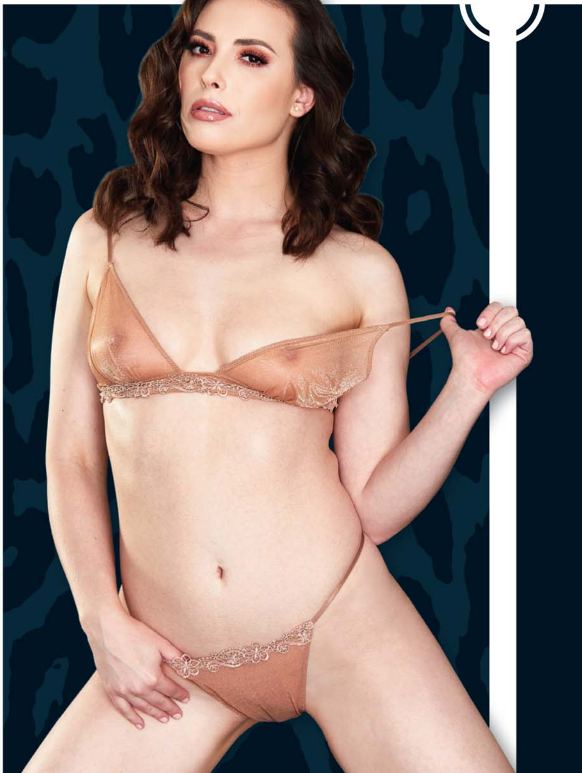
Sexual FIDELITY

SEXUAL FIDELITY

Wicked Pictures

Casey Calvert, Jessie Lee, Kenzie Taylor, Harmony Wonder.

I'm glad to report there's actually very little sexual fidelity on display here, although neither is there anything too extreme, so it's a nicely romantic flick. Radio relationship counsellors Casey Calvert and Brad Armstrong split up, but before they do Kenzie decides to heed the show's advice and put on a romantic bunk-up for her fella. They work their way through some top moves before the johnny comes off and Kenzie takes a pop to the chops. Then it's time for a break-up shag between Casey and Brad, and it seems like they're getting along just fine to me! Plenty of oral and fingers from Brad get her juiced-up, and the porking that follows would do any relationship proud! Cute Latina Harmony and tattooed Jessie move things along nicely before Casey hooks up with a new fella. All very tasteful and strokeworthy.



iLOVE

Wicked Pictures

Karla Kush, India Summer, Kenzie Taylor, Alexis Fawx.

This has a flimsy but likeable plot about an app that hooks randy couples up, created (in this case) by stud Tommy Pistol. And so, with the magic of technology, we get four couplings that put the algorithm to the test, starting with pert Karla, who wastes no time in luring a Chandler-from-Friends-lookalike into the bedroom. There's some nice oral work from both of them before some interesting positions culminate with him spuffing over her snizz. Tommy himself gets in on the action next, keeping up a dweeby persona as he gets stuck into industry veteran India. Blonde Kenzie has some nefarious plan to buy the start-up, but it doesn't stop her taking a good dicking before things come to a head when business partners Tommy and Alexis get it on.

ANAL BEAUTIES 2

Private

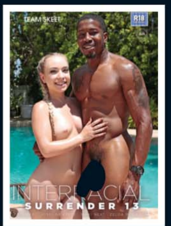
Renata Fox, Nelly Kent, Misha Maver, Mischelle Klein.

So much more popular than its Anal Mingers series, this is Private's second (or possibly millionth) foray into the pretty girls take an anal dicking market, and they've collected four very cute recruits for this one. Despite sashaying round the house in her skimpies, Renate eventually has to handcuff and haul her fella upstairs, where she's rewarded with a buttplug, a buggering and a creampie to finish in what's a very stimulating opener. Raven-haired Nelly, meanwhile, accommodates a hefty dildo as well as a prick up there, and tattooed Misha and Michelle keep up the good work through to the very end. You can't go wrong, really.

INTERRACIAL SURRENDER 13

Team Skeet

Kami Kari, Joseline Kelly, Nikki Next, Zelda Morrison.



Here we are in 2020 and interracial's still a thing – we're up to number 13 in this series, after all! Still, there's no getting around the fact that the pale skinned hotties here look pretty alluring as they get to grips with their respective studs. Plaited cutie Kami's sunbathing in the nip when along comes the pool cleaner (yes, the pool cleaner!) and, starting with a bit of sun cream, soon finds himself rubbing her shaven fanny. She returns the favour, whipping out his pole for a nosh before they really get down to business, getting her hair pulled and everything as he rides her every which way. Joseline, meanwhile, can't resist the athletic bod on her house guest, while Nikki Next is, um, next, seducing her mark with a yoga routine. Finally Zelda puts in an enthusiastic turn to close out a nicely shot quartet. **Available from your local sex shop.**

FUN Bags!

The joke is most definitely on you...

A man walks out of a London office building at rush hour and a taxi just happens to be passing and draws in as he hails it.

"I timed that rather perfectly," he remarks jokily to the taxi driver.

"Yeah," says the cabbie. "Indeed you did. You're just like Bill."

"Who?" asks the man.

"Bill Smith. Now there was a bloke who did everything right," the cabby replies. "He was a terrific athlete as well, you know. He could have gone on the pro tour in tennis. He could golf with the pros. He sang like an opera baritone and danced like a Broadway star."

"So this Bill was really something, eh?" says his passenger.

"Oh, yeah," continues the cabbie. "Bill had a memory like a trap. Could remember everybody's birthday. He knew all about wine, which fork to eat with. A great provider. And he could fix anything." The cabbie sighs. "Not like me. I change a fuse, and the whole of North Acton blacks out."

"No wonder you remember him," the man says.

"Well, I never actually met Bill," says the cabbie.

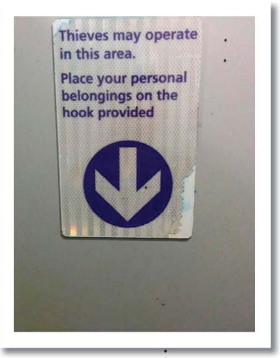
"Then how do you know so much about him?"

"I married his widow," grunts the cabbie.

……

This American salesman has been driving for hours through the country and as he passes swiftly and reluctantly through East Kentucky he is horrified to find that he needs a crap urgently. He spots an old store by the side of the road, pulls up and proceeds to the ancient restroom.

When he is done pinching off a large, messy loaf, he looks wildly around and is shocked to realise that there's no toilet roll. Only a sign on the wall, which reads: "Sorry, there is no toilet paper, friend, but if you wipe your ass with your index and middle fingers and stick them through the hole beneath this notice the management assures you that they will be licked clean."



Thieves may operate in this area.

Place your personal belongings on the hook provided

The man thinks this is not only weird but nasty but eventually he concludes he's got no choice. Accordingly he wipes his backside thoroughly using the index and middle fingers of one hand and sticks them in the hole.

Whereupon a hillbilly on the other side of the wall slams the man's fingers between two bricks so hard that the unbelievable pain makes him squeal and shove his fingers in his mouth.

……

A middle aged couple attend a spouse swapping party. They meet a Martian couple and reckon it would be interesting to switch partners for the night with a couple from the mysterious Red Planet. So off they each go with the opposite spouse. When the woman sees the male martian's penis she says: "Well that's nice but it's kind of short isn't it?"

The martian smiles naughtily, reaches up and pats his head. With each pat his knob grows longer. "That's better than before," she tells him, "but it's not very fat, is it?" The martian smirks, reaches up and pulls on his ears. With each pull his todger gets fatter.

In the morning she and her husband compare their experiences as the couple drives home. The wife says: "I really enjoyed myself, We should swap with that couple again."

Her husband says miserably: "Count me out. I had a dreadful night with that Martian bint. She spent the whole night sobbing in frustration, slapping the top of my head and yanking my ears."

……

The hospital consultant says: "Joe, the good news is I can cure your headaches. The bad news is that it will require castration. You have an extremely rare condition which causes your testicles to press on your spine, and the pressure creates one hell of a perpetual headache. I'm sorry. The only way to relieve the pressure is to remove your knackers."

Joe is shocked and depressed. But the headaches are unbearable and he tearfully opts to go under the knife.

When he leaves the hospital he finds himself without a headache for the first time in 20 years, but he feels like he's missing an important part of himself, and not just his balls. He now feels like a different person. He resolves to make a new beginning. He sees a men's clothing shop and thinks: "That's what I need – a new suit."

He enters the shop and tells the elderly tailor what he wants. The old man eyes him briefly and says, "Let's see ... size 44 long."

Joe laughs. "That's right, how did you know?"

"Been in the business 60 years!"

Joe tries on the suit. It fits perfectly.

The old tailor asks: "How about a new shirt?"

Joe nods. The old man eyes him and says, "Let's see, 34 sleeve, 16-1/2 inch neck."

Again, Joe is astonished by the tailor's accuracy, "How did you know?!"

"Been in the business 60 years!" Joe tries on the shirt, and it fits perfectly.

The tailor asks: "How about some new underwear?" Joe thinks for a second and says, "Yeah, might as well!"

The tailor steps back, eyes Joe's waist and says, "Let's see... size 36."

Joe laughs and points at him. "Ah ha!" he cries. "I got you! Wrong! I've worn size 34 since I was 18 years old."

The elderly tailor shakes his head. "I'm sorry, sir," he says. "You can't wear a size 34. Size 34 underpants would press your testicles up against the base of your spine and give you one long unbearable headache."

We love the sight of a sophisticated woman parading around in a classy set of lingerie for us, but Lacey Jay here will do just as well!

"Hey, are you trying to say I'm not sophisticated?!" she asks, before admitting that actually sophistication is actually pretty low down her list of priorities. And to be honest we wouldn't have it any other way!
